APRIL 2, 2012 AT THE FOOTHILLS BANK

THE FOOTHILLS BANK CELEBRATED THEIR RIBBON CUTTING WITH TOWN DIGNITARIES.

FROM GROUND BREAKING TO O'REILLY RIBBON CUTTING JANUARY 8- APRIL 21, 2012!

O'Reilly Auto Parts broke ground in Chino Valley on January 8, 2012, with Van Tassel & Proctor, Inc. completing construction in just 3 ½ months. April 21 marked O'Reilly's Grand Opening. Steve Heir manages staff well-trained in customer service and invites consumers to experience the difference at his Chino Valley store.

On hand were Councilmen Dean Echols, Darryl Croft and Mike Best, as well as former Mayor Jim Bunker, former Vice Mayor Ron Romley and representing the Chamber, Beverly Ervin with Sally and Smokey Riner.

ON THE BASICS

You may recall an actor named G.D. Spradlin. He played a basketball coach patterned after John Wooden in "One-On-One" and a football coach patterned after real life coach Tom Landry in "North Dallas Forty". Both of the characters Spradlin played came off as heavy-handed coaches who didn't care for their players – the exact opposite of

Wooden and Landry in real life.

**COMING ATTRACTION...
CASINO NIGHT AT
THE OSCARS
JUNE 16, 2012 6 PM – 10 PM**

June 16, 2012 Gabby's Kitchen transforms into a Red Carpet, star studded Hollywood affair, as we host our "Casino Night at the Oscars" fundraiser. All are invited to come dressed for the evening or dressed for comfort and fun. Whichever suits you best; this will be an event to attend. Tickets are \$40 and can be purchased at the Chamber. Special thanks to our Event Committee Volunteers: You MAKE events like this memorable.

Wooden was especially noted for his attention to the basics. The basics helped him win 10 NCAA Basketball Championships in a 12 year period. During that period his teams won a staggering 88 games in a row!!

Earlier this year, I offered four basics for your 2011-12 business success. I suggested that you Network, Promote, Invest and Learn.

Our Membership Luncheons, Mixers and Biz/Educators Breakfasts continue to provide excellent networking opportunities – nearly 200 were in attendance at the three events this past month.

Coming in June is a great Promotional opportunity – Casino Night. An ad on our gaming tables is a great way to promote your business and will be seen by hundreds of people – not only at Casino Night, but later this year at Rotary functions and Chino Valley School events.

Speaking of Chino Valley Unified Schools, we salute our new Superintendent, Duane Howard. Mr. Howard succeeds Dr. Jim Murless who did a fine job as interim Superintendent. Duane Howard when asked for his strengths as Superintendent (he is presently Superintendent in Morenci, Arizona) listed two basics: relationship building and shared decision making. Dr. Murless will be on hand when the Chamber presents over \$4,000.00 in scholarships to Chino Valley graduates this month.

My book recommendation this month is by another coach who was fantastic for detail and the basics, Don Shula. Shula and Ken Blanchard co-wrote "Everyone's A Coach". Here's a quote by Shula from the book: "One thing I never want to be accused of is not noticing." If you can't find this terrific book, come by and get mine.

G.D. Spradlin died last year at the age of 90 in San Luis Obispo, California on his cattle ranch. He was a veteran of over 70 motion pictures but didn't get involved in movies till his 40's. He is remembered for his attention to the basics of acting.
